

OBS Experience Spiti Valley

15th Sept - 21st Sept (2025)

What is an OBS Experience?

OBS (Oh Bhaishab Experience) is more than just a trip — it's a carefully curated journey that blends **adventure**, **fitness**, **reflection**, and **human connection**.

And this time, we're heading to **Spiti Valley**, the mystical land of high mountains, ancient monasteries, and surreal landscapes. Known as the “Middle Land” between India and Tibet, Spiti offers a once-in-a-lifetime experience — rugged, raw, and breathtaking at every step.

From the world's highest post office in **Hikkim**, to the fossil village of **Langza**, the serene blue waters of **Chandratal** (Moon Lake), and the timeless beauty of **Yulla Kanda** (World's Highest Shree Krishna Temple), this OBS Experience will immerse you in nature, culture, and adventure like never before.
